

Olympic Group In Move To Clarify State's Position

Survey Ordered To Learn All Phases Of Plan In District

Charles R. Blyth, Chairman of the California Olympic Commission, this week issued the following statement:

The California Olympic Commission has retained Skidmore, Owings & Merrill, architects, of 1 Montgomery St., San Francisco, to conduct a reconnaissance survey of all factors which must be considered by the State of California with reference to its participation in the 1960 Winter Olympic Games at Squaw Valley. Elliott Brown will be general partner in charge of the project.

The survey will be independent of the engineering and architectural studies now being made by the VIII Olympic Games Organizing Committee. The latter project has many necessary and vital objectives, but it clearly remains for the California Olympic Commission to exercise certain discretionary functions that not only are its prerogative, but its responsibility in serving the public interest.

Study All Phases

The conclusions of this survey will be important to the attitude of the Commission in making recommendations to Governor Goodwin J. Knight and to the California Legislature in advance of January 15 when the Organizing Committee will provide a progress report to the International Olympic Committee at Cortina, Italy.

Since their appointment by Governor Knight, members of the Commission have been contacted by numerous public and private groups and organizations—Federal, State, County and local—as well as by many individuals with interests which may be affected by plans for the 1960 Winter Olympic Games. Their views and recommendations will be solicited during this investigative survey. The Organizing Committee and their architects have expressed agreement with the purpose of this study. An analysis will be made of multiple factors which will affect the ultimate cost of the program.

The feasibility of limiting activities to Squaw Valley will be studied since there may be practical considerations to warrant utilization of other land or available facilities.

In this, the manner in which the largest number of spectators can conveniently be accommodated is to be considered without contradicting the conditions imposed by the International Olympic Committee. Minimum costs will be an obvious standard of judgment.

Long range utilization of permanent facilities to be constructed, salvage plans of temporary structures needed, and potential recovery of investment will form an important part of this project, considering the appropriation of \$1,000,000 by the State Legislature.

Business Principles

The Commission feels that this survey is consistent with sound business principles. The results should remove from the project any possible speculation, criticism or doubt which may exist. It should serve to preserve the valued tradition that what California does, California does right. The public may have full confidence as to the manner in which taxpayers funds are to be spent, a paramount consideration of Governor Knight, the California Legislature and the Organizing Committee.

The Commission has directed its executive secretary, P. K. Macker, to coordinate all phases of the survey in its behalf with Skidmore, Owings & Merrill. The conclusions and findings will, of course, be made public at the earliest opportunity.

Other members of the Commission are John Jewett Garland, Vice Chairman, Walter M. Barrett, Allen D. Christensen and Reese Taylor.

Landowners Meet

A meeting of principal property owners in Squaw Valley was held Saturday and it was reported complete agreement and understanding resulted, with all concerned agreeing that a unanimous voice would be heard at the Cortina, Italy, meeting in January when the International Olympic Commission plans and hears talks on local preparations.

The resolution adopted at the conclusion of the meeting was as follows: "Resolved, those who attended the meeting today are in complete understanding and that we will present a united front at Cortina for the Olympic Games in Squaw Valley in 1960."

LAKE LEVEL

TAHOE CITY—There were only three inches of snow left on the ground at Tahoe City Monday as comparative warm days followed the recent storm. Temperatures have ranged from a low of 25 on Friday to a high of 49 Saturday. With two gates open, the lake level Monday stood at 6224.70 feet.

High School Will Open Hoop Season Here December 9

With a total turnout of 37 boys, Head Basketball Coach Conrad Briner and his assistant, Jim Brehler, began preparations last week for their 1955-56 basketball season in the Western Nevada "A" Division.

After a week of tryouts, the squad has been cut to 28 hopefuls, including 13 varsity and 15 junior varsity candidates. Further cuts are in order this week, to prepare for the opening games on December 9th and 10th against South Tahoe and Loyalton respectively.

The South Tahoe game will be a home affair for the Wolverines, while the Loyalton tilt will be played on the Grizzlies home court. The Junior Varsity games will begin at 7:00 P.M. and the Varsity games will begin at approximately 8:30 P.M.

The Varsity squad, at present, consists of Roger Holbrook, Martin Prescott, Mike Vieu, Jim Allen, Bill Barr, Stan Rasmussen, Clayton Spining, Bob Molsberry and Irwin Single, all seniors; juniors Doug Wilson and Bob Trask; and sophomores Ken Vaughn and Floyd Cooper.

The Junior Varsity roster includes juniors Jerry Browne, Cecil Craddock, Roger Halbert, Wes Ball, Tom Sheehan, Mayton Record, Dean Herzog, Dave Ashton and Doug Cooke; sophomores Ken Osburn, Berger Nelson and Dean Holbrook; and freshmen Allan Young, Gary Hulbert and John Firpo.

Special attractions for local fans this season will be halftime games between seventh and eighth grade intramural teams. These attractions are being offered to provide intermission entertainment as well as to prepare these underclassmen for intraschool competition in the coming years.

Local Resident To Head Expedition

Ernest S. Schickler, rescue ski patrol leader at Squaw Valley, has been named leader of a proposed American Andes expedition which is being formed for the purpose of thorough exploration of the highest mountains in Peru, Bolivia, Chile and Argentina, where peaks range from 20,000 to 23,000 feet.

While no definite date for the expedition has been set, Schickler said plans are progressing speedily. The group is affiliated with the Explorers Club of Pittsburgh, Pa., and other additional affiliations with clubs in New York and Washington, D.C. are contemplated.

A public relations office has been established at Oakland with Ray Foster and William Hall in charge. It is hoped to raise approximately \$25,000 which will be needed to equip the expedition. While the principal aim will be to obtain factual colored movies, an anthropologist, archeologist and geologist and a doctor will accompany the group. A board of trustees is currently being formed to supervise the expedition.

Schickler is well known in this area and his work in rescue has received wide acclaim.

Timber Worker Dies In Hirschdale District

Archie Reuck, 41, employee of Tahoe Timber Company, died of a heart attack Tuesday near Hirschdale. He was stricken while working in the woods along Juniper Creek road.

Two years ago, Reuck was injured in a bad fall, and had been under a doctor's care since then.

Gautsche Represents CHP At Bay Meeting

State Patrolman William Gautsche Tuesday represented the California Highway Patrol at a meeting of the Ski Forum Committee in San Francisco. The local officer spoke on winter highway driving and discussed the efforts of the patrol to cooperate with skiers while attempting to keep main laterals open for through traffic in snow areas.

Gautsche was selected by Sacramento headquarters to represent the patrol at the session.

Burney Mill Will Start Operation Here In Spring

Superintendent Tells Club Details Of New Local Lumber Plant

Plans call for the new Burney Lumber Sales Company's Truckee processing mill to be in operation next Spring, with approximately 100 men being employed.

This was announced Monday at the meeting of the Truckee Rotary Club at which Dave Tremayne, construction and operation superintendent for the company, was the principal speaker.

The mill is to be erected on Southern Pacific property in the east section of Truckee, with utilization being made of many facilities abandoned by the railroad when the roundhouse here was closed last year. Most of the men to be employed will be skilled workmen and most of them have families who will make their homes here, Tremayne explained.

A diagrammatic plan of the proposed new industry was shown and discussed. It revealed that the old roundhouse will be used as the machine and repair shop for the mill while the steam plant will be adapted for the dry kiln units.

The club went on record as favoring the employment of an additional deputy sheriff for the Truckee area and voted to add their efforts to other local organizations in an attempt to solve the present inadequate condition.

NEW SHOE REPAIR SERVICE STARTED BY BAY AREA PAIR

Mr. and Mrs. Ralph Edwards have arrived from San Francisco and have opened the Truckee Shoe Repair Service in the Owens Building (formerly the pool hall) on Main Street, and will make their home here.

Edwards recently sold his shop on 16th Street in San Francisco and decided upon Truckee as an ideal business location and home town. A complete shop has been installed with modern equipment. The owner has had 35 years of shoe making experience and promises fast, guaranteed service.

The couple have four children, Judy, 13; Nancy, 9; Kenneth, 7; and Jerry, 3.

Truckee has been without a shoe repair shop for nearly a year and the new establishment should be a welcome addition to the growing community.

DATE CHANGED FOR COMMUNITY PARTY

The Community Christmas party will again be held in conjunction with the Sacramento Bee-Donner Theater party on Wednesday, December 21st. This was originally scheduled for Friday, December 23rd, but has been changed due to a request from the Bee.

Rev. Wesley Osman who is acting for the chamber of commerce, indicates that plans are under way to make the affair an enjoyable one for all concerned. It will begin at noon in the Donner Theater and conclude about 3 p.m. under the big Christmas tree on the Southern Pacific plaza. Other details will be announced later.

Aaron Thomas, Marlene Moore Married In Reno

Miss Marlene Moore became the bride of Aaron Thomas at a wedding service in the Church of Christ at Reno, Nevada last Friday, with Rev. Otto Harris officiating.

The bride wore a white gown of balerina length for the ceremony and carried a bouquet of baby roses.

Mr. and Mrs. Thomas were attended, during the nuptial rites by Miss Elaine Nole, cousin of the bride and Thomas Dole.

Mrs. Imogene Moore and Mrs. James Thomas, mothers of the newlows and Earl Nole, uncle of Mrs. Thomas and a few close friends witnessed the religious service.

Mr. and Mrs. Thomas are popular members of the younger set in this vicinity and have been receiving the felicitations of their friends.

First Ski Victim Is Treated In Hospital

It was certain to happen and it did.

The first skiing casualty for the current season went to Miss Jennifer McClaskie, 16, of Tahoe City, who suffered a sprained left ankle while skiing at Squaw Valley Friday. She was treated at the Tahoe Forest Hospital by Dr. L. D. Nelson.

The hospital reports nine minor wounds were treated there during the holiday weekend as skiers took advantage of the beautiful weather and the first substantial snow fall of the year.

Aside from the nine there were two, William Stewart of San Francisco and Elinor Greenwell of Tulare, who were kept at the hospital with fractured legs.

THREE CHILDREN IN CLOSED CAR SAVED FROM ASPHYXIATION

Three children were saved from death by asphyxiation by carbon monoxide gas Sunday afternoon after they became violently ill near the observation point on Donner Summit.

The children, Billie Jean, 8, Carolyn, 7 and Dewain, 4, all children of Mrs. Billie L. Stevens of Colville, were en route to Reno to visit their father, ill in a hospital there, when they were overcome.

Dr. Ben King and Patrolmen Carroll Maynard and Roy Stallard rushed to the scene and after some time managed to revive the children. Mrs. Stevens first thought they were only car sick and did not realize until one of the trio lost consciousness that they were in serious condition. Doors of the car had been kept closed to keep out the cold and the fumes came up through the floorboards of the vehicle.

JACK HOGUE'S BODY FOUND IN SNOW BANK

BLUE GANYON—An autopsy was ordered to determine the cause of death of Jack C. Hogue, 47, whose frozen body was found last weekend when revealed by melting snow.

Hogue, a World War II paratrooper, had been living in a cabin here on a disability pension. He was last seen November 16th.

Coroner Francis E. West said Hogue apparently had fallen in a drift along the trail to his cabin. Deputy Sheriff William Fonseca of Alta, Placer County, commenced a search a week ago after Hogue was reported to be missing.

Children at play discovered a leg exposed by a receding drift. Hogue's father, C. F. Hogue of Berkeley, was notified.

Basketball Clinic Being Held For Girls In Chico

Saturday, December 3, 1955 the annual Girls Basketball Clinic will be held at the Chico Senior High School Gymnasium. The program, will begin with registration and continue with introductions, discussions of new rule changes for this year, demonstrations of team techniques and tactics, and officiating. The program will end with the schools playing one another in short practice games.

The team members who will attend the Clinic from Tahoe Truckee are: Virginia Speeter, Chris Becholdt, Sharon Little, Linda Loynd, Judy O'Neill, Judy Loynd. They will return sometime Sunday.

TO BAKER—

Mr. and Mrs. P. A. Ryason have gone to Baker, California to spend the winter months.

OUT OF TOWN—

Thanksgiving visitors out of town included Mr. and Mrs. Robert Saunders who enjoyed the day with Sacramento relatives; Mr. and Mrs. Vern Shattuck were in San Jose where they combined business and pleasure. Mr. and Mrs. Russell York and children spent the holiday in Oakland. Mr. and Mrs. Leslie Grow left Thursday afternoon for Fresno on a business trip.

VISITS FAMILY—

Mrs. A. L. Davidson left Tuesday for her home at Roseville following a visit of several days with the families of Mr. and Mrs. Jack McGlade and Mr. and Mrs. Herbert Copeland.

Utility District To Sponsor Contest For Decorations

Move Designed To Create Interest In District For Holiday

In cooperation with the chamber of commerce, the Truckee Public Utility District this year will sponsor a Christmas decoration contest for both business establishments and homes. The district directors agreed to the plan since virtually all of the decorations will be of an electrical nature and prizes will be merchandise orders for electrical appliances.

Last year the chamber sponsored the contest but along the line of judging was forgotten and as a result a number of people were disappointed and no prizes were presented.

This year, according to C. Edmunds, district manager, three prizes in each division will be awarded, with a merchandise order of \$25 for the best decorated business establishment and \$25 for the most attractively decorated home.

Second prizes will be a \$15 order in each of the two classes and third prize will be \$10 for each, making a total of \$100 in orders to be presented.

The Truckee 20-30 Club again this year has volunteered to install the huge Christmas tree on the plaza and decorate the main streets with smaller trees and boughs. Strings of colored lights across the main streets will brighten the town and present a holiday atmosphere.

Dates for the decoration contests will be announced by directors of the utility district.

ACCIDENT DAMPENS HOLIDAY IN DISTRICT

A happy Thanksgiving for two families was spoiled Thursday morning when cars driven by Mrs. Harvey Hocker of Truckee and Rocco Pesce of Loyalton collided near the Prosser creek bridge on State Route 89.

All the injured were taken to the Tahoe Forest Hospital where minor injuries were treated. The two Hocker children escaped injury, but both Mr. and Mrs. Pesce and Mr. and Mrs. Hocker required treatment.

Jack Livingston and Shirley Young, both of Richmond were injured Friday night when a car driven by the former went over an embankment near Hirschdale and was wrecked.

James Schwarzman, Kings Beach, was cited by Patrolman Carroll Maynard Sunday after the former's car struck the rear of one driven by Stanley Turner of Bakersfield three miles north of Tahoe City. Schwarzman was taken to the hospital for treatment.

It was a neighborly affair Saturday morning when three cars were damaged near Tahoe Pines. Patrolman Roy Stallard said he cited Edward Pemberton for illegal parking. The Pemberton car was hit by one driven by Virgil Mott, Stockton, who has a home nearby and the former vehicle crashed into one owned by Edith Pozzi, another neighbor. Mrs. Dorothy Mott suffered minor injuries.

SNOW FALLS

Four inches of wet snow fell at Truckee Wednesday night and this morning and was continuing at noon today.

TRANSFERRED BY STATE—

W. C. Jones who has been located at Auburn for the State Alcoholic Beverage Control, serving this district will transfer to Sacramento this month. Lake Tahoe district business with the department will be handled from the capital city and Joseph R. Thompson of Nevada City will visit Truckee in the same capacity.

NURSERY SCHOOL MEET—

Mrs. P. Patnoudé will discuss the polio program and health problems of the pre-school children at the Dec. 6 meeting of the Truckee cooperative nursery school. The session will be held at 7:30 in the High School cafeteria.

EXPECTED HOME—

Mr. and Mrs. William Englehart, Sr., are expected home Friday from a visit to Sacramento.

Study Being Made Of Bus Service To Aid Donner Skiers

Directors of the Truckee Chamber of Commerce Tuesday explored the idea of establishing a shuttle bus service between Donner Summit and Truckee for the accommodation of Winter Sport enthusiasts. A committee consisting of Reginald Smart, N. F. Dolley and Kenneth Hedlund was named to further study the plan and confer with local businessmen on the idea.

As explained by C. Edmunds, manager of the Truckee Public Utility District, which organization would sponsor the service, the buses would be operated on week-ends and holidays, on a half-hour or hourly basis at an estimated cost of \$1200 for the two and a half months, from the middle of December until the first of March.

The cost for the service, under the plans discussed at the meeting held at Smart's and presided over by Vice President Hedlund, would be paid for by interests to be benefited, with neither the utility district nor the chamber being obligated.

At the same time the idea of developing a ski run down Donner Lake was discussed but the chamber of commerce would not be involved in this venture if it is undertaken.

Officials To Scan Squaw Valley Sat.

With the Placer County Olympics Publicity Committee as host, the once postponed Squaw Valley "peek-a-boo" trip for members of the press, radio, television and local, county and state dignitaries from California and Nevada, will be held Saturday and Sunday, December 3rd and 4th, Bill Cassidy, chairman of the committee, announced.

The date was moved to December at the suggestion of the Olympics Organizing Committee to provide more time for shaping plans to be presented this week.

While the plans are still far from complete and are awaiting an independent survey by the California Olympic Commission, the trip this weekend is expected to provide the visitors with a comprehensive idea of costs, layouts of facilities, highway plans and other data pertinent to the holding of the games.

The purpose of the excursion is to provide information on the area and give the guests a chance to scan the problems facing the organizing committee and the California Commission.

Following the visit to this area on Saturday, the group will return to Auburn where breakfast Sunday morning will conclude the event.

Local Court Sends Over \$4,000 To Treasury

Judge Fosten Wilson sent in to the Nevada County treasury a total of \$4,145.75 for the month of November with \$3,852 of the amount for traffic violations. Civil fees for the same time were \$45.75, county criminal cases, \$50, and drivers tax \$218.00.

Ed Smarts To Install Apartments In House

Mr. and Mrs. Ed Smart of Oakland have completed the purchase of the Layne Simkins house, located on Church Street and the new owners plan to completely renovate the building, dividing it into three well appointed apartments. Rex Reid will start work on the house in the near future. Mr. and Mrs. Smart will retain an apartment for their use, dividing their time between here and the bay district.

In New Offices

Dr. Ben R. King this week announced that he has moved his offices to his new building at Gateway Park, just one block from the Tahoe Forest Hospital on Highway 40. The new structure, designed as for the purpose it is being used, was recently completed by Vind Brothers.

Constable Takes Stand On Problem Of Second Deputy

Advises Supervisors He Is Not Deputy To Clear Up Question

Constable N. F. Dolley this week advised members of the Board of Supervisors that because of the involvement of his name and office in the controversy over the board's refusal to allow employment of a second deputy sheriff for this end of the county, he will, after December 1, confine his activities to the duties of constable.

These duties, he explained, do not include law enforcement, attending jail prisoners and a number of other duties currently being done with the aid of the constable.

Dolley said he resented the interference that Truckee now has two deputy sheriffs, when, as a matter of fact, he is not even an honorary deputy.

"Duties of a constable as prescribed under the law do not include duties of a deputy sheriff," Dolley said. "The salary I am now receiving is far below that of a deputy and I feel that in continuing to serve as a law enforcement agent, I will continue to stand in the way of the much needed second deputy for this area."

Two members of the board have consistently refused to allow the employment of a second deputy and have charged that the area is not entitled to added service since two men are now employed.

Supervisor H. G. Loehr has consistently favored the deputy employment and has worked toward that end.

Dolley's office, like that of members of the board, is an elective one. His incumbency is not dependent upon the wishes of the board. His salary is fixed by ordinance and while it provides \$50 per month over that paid the two other constables in the county, it does not prescribe additional duties, Dolley pointed out.

The local officer said he had continued to act in a law enforcement capacity as a service to the community with a firm hope that a second deputy would relieve him, but since the board members have taken an arbitrary stand, he feels that he is standing in the way of the community in its drive for adequate law enforcement.

FIRE DAMAGES HOME IN EAST TRUCKEE

The home of Mr. and Mrs. John Ferguson in east Truckee was badly damaged by fire Wednesday morning. Fire Chief N. F. Dolley said the damage by the fire and water would probably amount to \$1500. The blaze started in the attic presumably from an overheated chimney.

The house was owned by Jack Lambres.

Newcomers Will Be Feted At Wyethia Tea Dec. 9th

Mrs. Eugene Welch as president of the Wyethia Club and members of the organization will welcome newcomers to the community at a Christmas friendship tea to be given between the hours of 2 and 5 o'clock, December 9th in the edifice of the Methodist Church.

A program indicative of the coming holiday will be a feature of the afternoon and all members are asked to take a new resident to the affair.

The tea table will be festively decorated in the chosen motif.

Invitation To Skiing To Be Shown At School

How you may look to others when you go skiing is something you may learn when you see Warren Miller's latest two-hour color movie, "Invitation To Skiing", when it is shown in Truckee at the Tahoe-Truckee High School on Tuesday, December 27th. Miller's sixth production is being shown locally under the sponsorship of The Squaw Valley-Lake Tahoe Ski Club.

The two-hour movie, personally narrated by the internationally famous ski photographer, includes scenes from the Matterhorn, Davos and Cortina D'Ampezzo to Mahaka in Hawaii and is considered "must entertainment" for local ski bugs.

At Academy

Sergeant Ed Freeman of the Truckee subdivision of the California Highway Patrol, this week is instructing a class at the patrol academy in Sacramento.

TAHOE MAN MISSING—

AUBURN—Charles Reese, 70, a Lake Tahoe area pensioner, was listed as a missing person by the sheriff's department, at the request of the Placer County Welfare Department, which reported he failed to return to his cabin after visiting the Placer County Hospital.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Tahoe Weather
A light snow storm came up in this region on the early morning of the 23rd. Without the usual blustering storm wind. A light snow fell throughout the day, leaving about two inches of snow which lay frozen on the highway through the night. On Thanksgiving morning, however, the skies cleared completely and the sun shone bright and warm all day, melting the snow from the roads, which were once more in prime shape for driving. In the Granlibakken ski area over the holiday and week end, lodging facilities were overflowing, and the ski slopes and toboggan slides were alive with visitors.

Squaw Opens

The Squaw Valley ski area opened officially for the winter season on Wednesday, Nov. 23rd., and has been buzzing with snow sports activity since the opening morning. The Lodge put on its annual Turkey dinner and Thanksgiving celebration as per schedule, and the competition for the turkey trophy was held as usual. The ski school director, Joe Marillac, is on the job for the winter, and has among his assistant instructors Terry Tolleson, well known Tahoe ski champion, Joe Aukenthaler, Jim Baker and Mike Duval.

On World Trip

Mr. and Mrs. Malcolm Fox, whose new home on the Squaw Valley slope was completed only this fall, have rented out the new place for the winter season during the past week, and are now off on the first lap of a world-tour winter vacation which they expect will occupy at least the next four months. The Fox family, including small daughter Mary Tabor, left here on Saturday by car for San Francisco where they will complete final preparations for a leisurely trip throughout Europe and neighboring territories. They will visit New York and London, and from there they will go on to Switzerland for the Christmas holidays. Later they expect to be in Italy for two or three weeks, and will spend most of the time in the Alpine Village of Cortina, and take in the Olympic Games of 1956 which are to be held there throughout the greater part of January and February. They said that when the time arrives for the opening of the summer season at Tahoe once more they will probably be back in the good old U.S.A., and making tracks as fast as possible for the beautiful High Sierra.

Mother Dies

Mr. and Mrs. M. J. Moore of this city were called to Sacramento early on Saturday by the death in that city of Moore's mother, Mrs. Joseph Moore, 75. The deceased had been hopelessly ill for a period of about three years, due to successive strokes through that time which had caused her to become partially paralyzed. Mr. and Mrs. Moore left here with the intention of staying in the city until after the funeral set to be held at 10:30 a.m. Tuesday with interment following in the Sacramento cemetery.

Breaks Wrist

We hear that our good neighbor, Mrs. Corrine Otton walked into some very bad luck during a freezing snap which followed the snow storm last week. Walking down the main street toward the post office she is said to have slipped on the snow-ice and broke her wrist. We

are very sorry indeed to hear of this, and our sympathy goes out to her, for we know from recent experience just how very miserable one can be with a broken bone.

In Bay Area

Mr. and Mrs. Harold Farr, who spent the Thanksgiving holidays in the bay area on combined business and pleasure, returned to their home here Sunday evening. They report that the business part of the trip worked out according to schedule, but the pleasure end of it is something else again. On the way down the Farris stopped for an evening meal in Auburn, and Mrs. Farr ordered a hamburger sandwich. Shortly after eating it she became very ill, and upon arrival in Oakland had to be taken immediately to the hospital where her illness was diagnosed as being from ptomaine poisoning. She spent the night and the following day (Thanksgiving), in the hospital under treatment, and could not even eat any Thanksgiving dinner. On Friday she was still very ill, but managed to be up and around again on Saturday, and was able to make the trip home by Sunday evening.

NO SPECIAL PLATES FOR CAR AVAILABLE

SACRAMENTO —(CNS)— Governor Goodwin J. Knight has added the prestige of the governor's office to an order of the state department of motor vehicles banning special license plates for anyone.

At his press conference, the Governor said he had discussed the matter at length with Paul Mason, and they had agreed there would be no special license plates for anyone this year.

Neither Mason nor the governor, apparently, knew that the department had issued a long press release last week, which announced the ban.

"However," the governor said, "It should again be called to the attention of the people."

Reason for the order, the governor said, is that if one citizen is entitled to a special plate with his initials and phone number or something else thereon, all other citizens are entitled to the same privilege.

The state cannot set up a special department to dig the special plates out of some 13 million to be issued (two to each car), and therefore, it will not accede to the many requests that have come both to the governor's office and the department of motor vehicles.

Easy Coins A Quick Profit

Hear about Easy Roberts last Friday? I helped him count his money—both before and after—so believe me, the story's true.

Easy was on the way to the bank to deposit his "cookie jar" savings—exactly \$24.95 in nickels, dimes and quarters. He had them in a paper bag and as we crossed Main Street the bottom fell out.

Money went flying. Passers-by pitched in to help recover the coins. Later on when Easy counted up, he had \$25.05. The "search party" had turned up all of

Easy's money plus ten cents someone else had lost!

From where I sit, I wouldn't want to try this "Easy" way to make money. Usually, it takes time for a bank roll to grow... just as it takes time for a friendship to grow. But by respecting a neighbor's rights—including his right to drink coffee, tea, beer or buttermilk, whichever and whenever he chooses—it's wonderful the solid friendship you can build. You can "bank" on that.

TAHOE LAKE SCHOOL

This week kindergartners and first graders pasted snow pictures from construction paper. Most original jobs were done by Rae Lee Grah, Chuck Edge and Armen Abrahamian.

The first graders finished their second pre-primer readers this

week. Top readers this week were Arman Abrahamian, Chris Beavers, Vicki Jones, and Jimmy Bechdolt.

First and Second Grades: We are thankful for these things at Thanksgiving Time: Allen Edge—our car, our American Flag. Tommy Rukkala—car, Christmas. Joan Palmer—my country. Pat Dempsey—horses, food, bows and arrows, trees, the bus. Dick Nielsen—the bus, our Flag, grass that grows.

Rosemary Wray—my house, George Speeter—Alligators, fish, my Daddy, our car. Joyce Anderson—Mother, Father, clothes and bed. Dick Pomin—Fishing. Lance Poulsen—our car, the American Flag, our house. Mary Lou Santor—fish and water.

Third and Fourth Grades: The Third and Fourth grades made Thankful cards for their parents.

The Fourth grade is studying India. Fifth and Sixth Grades: Vic Sartor and Wayne Poulsen received perfect scores in the social studies test last Friday.

KINGS BEACH SCHOOL

First Grade: First Graders who finished their 1st pre-primer are Martha DeGregorio, Susan Clackett, Wendy Howell, Gale Graton, Kathy Chastain, and Andy Thompkins.

This week we started discussing our school. A mural of Kings Beach School was made by the entire class.

Second and Third Grades: Since Thanksgiving and Friday were school holidays, the following children left their Lake homes to visit elsewhere: Estelle Howell, Elizabeth Omlor, Vern Wing, and Amy Arndt.

This week the following boys and girls gave their oral book re-

ports: Darryl Lusche, Vicki Russell, Loreta Barnett, Dixie Lee Reese, Alton Clothier, Carl Brooks, Chris Althof, Linda Bonney, Nancy Bervid, and Carol Franklin.

Carol Franklin donated five story books to our classroom.

Carl Brooks brought us all the story books he was through reading.

Fourth, Fifth, and Sixth Grades: The Junior Red Cross drive started this week in the King's Beach School. Participation to the extent of 100% was recorded by Mr. Bisio's class. As part of the Junior Red Cross help program, the children in Mr. Bisio's class are making scrap books that will be given to the local hospital.

On Wednesday, the 23rd of Nov., the entire class made a field trip to the Carson City Museum for the purpose of investigating the 50,000 dollar replica of the underground workings of a Nevada Mine.

A letter from the Standard Oil Company was received this week by members of the class. The letter thanked the children for using the school information service that Standard Oil has available for schools.

DONNER TRAIL SCHOOL
Kindergarten, First and Second

Grades: We are learning the characteristics and techniques of using water clay. From experience we can now say that water clay is fun and that we know that is how mother's dishes are made.

Our sixth graders are learning how to do various types of fractions. Our other groups are reviewing the combinations in addition and subtraction.

All of the children are learning new Christmas songs and poems for our Christmas program which we hope to have on the 15th of December at 7:30 in the evening.

TRUCKEE ELEMENTARY

Kindergarten: We discussed the meaning of Thanksgiving last week.

Pamela Horman, Eddie Anderson, Jerry Neugebauer and Michael Kydd were some of the children who told what they planned to do on Thanksgiving Day.

First Grade: We learned many poems about Thanksgiving. Some of those who wrote short stories on the holiday were: Gary Kehm, Bruce King, Ronnie Walker, Bill Waters, Sandra Miller and Eddie Steele.

Donny Whitneck has been absent all week.

On Monday we wrote letters to Karen Hedlund and Lenny Vind who had their tonsils out on Saturday.

Second Grade: In language arts we have written stories and poems. Among the contributors were Debbie Ellis, Ricky Ralphs; Claudia Ayala, Courtney Lewis, Alexandra Cushing, and Jackie Finnegan.

Julie Knoff, Claudia Ayala, Dawn Maynard made attractive covers for the two books.

Third Grade: Michael Carter, David Saroni, Eddie King, Judy McGinn and Marcia Leamon wrote a letter to President Eisenhower.

The Junior Red Cross received \$3.76 from the third grade.

Fourth Grade: Some stories that have been typed and placed on the bulletin board were written by Lynn Quartly, Wilana Curran, Karey Kielhofer and Jack Arterburn.

Sixth Grade: Our class has had a

variety of language techniques in use lately. Among these were: interviewing methods done by Vickie Firpo, Kathleen York, David Ayala and Mike Armstrong; reporting on a science and health project by Patty Finnegan, Pam Freeman, many others.

Kathleen York and Terry Ellis; reading original poetry by Pat Freeman; sharing experiences by J. C. Roberson, April Lander, Violet Dohme and Vickie Firpo; and

Alleged Shooting At Tahoe Results In Charge

KINGS BEACH—John P. Streitmater of Brockway is at liberty under \$2000 bail imposed by Judge Harry Charrison in the Tahoe Judi-

cial District Court and is charged with assault with a deadly weapon. The complaint was filed by Charles Daniel Boone of Crystal Bay who charges he and a fishing companion, Eddie Gasson were fired upon by the defendant while they were fishing from the Brockway pier.

Public Road Hearing Delayed By Placer Co.

AUBURN—Snow conditions at Lake Tahoe prevented many proponents and opponents of the plan to close Hilcrest Avenue in the Lake Forest area near Carnelian Bay from appearing at a public hearing of the board of supervisors. Further action was post-poned until next spring.

Conflicting petitions indicated a divided sentiment among area property owners. The public hearing, scheduled yesterday, lasting two hours before a decision to delay final action was made.

Streitmater will appear in court December 9th at 10:30 for preliminary hearing.

Mrs. Flora Streitmater, the defendant's wife was fined \$25 by Judge Charrison on a charge of obstructing justice after she was alleged to have refused to allow Deputy Harry Johanson to enter their home to arrest the defendant.

Between 1940 and 1950, California population in incorporated areas increased 41 per cent.

FATHER OF TAHOE MATRON EXPIRES

TAHOE CITY—Oliver H. McLain died November 16 in Elsinore. A native of Iowa, he had resided in California for the past 60 years and was a life member of the Masonic Lodge at Smartsville.

Surviving are two daughters, Mrs. Richard Schwartz of Santa Barbara and Mrs. Ken Steadom of Tahoe City. A sister, Mrs. Eva Hammon lives at Los Angeles. Funeral services were held at Elsinore and interment was in the Santa Barbara cemetery.

D. B. and Adeline Free have written that they are wintering in Madeira Beach, Florida and want to keep in touch with Lake Tahoe via Sierra Sun.

Mrs. May McLean wrote that the family has once again left the lake and are at their place in Los Gatos.

The pinnacles National Monument is a volcanic wonderland where streams have sculptured fantastic shapes in a thick accumulation of pyroclastic rocks and lava flows.

Former Resident Of Tahoe Pines Dies At Reno Following Illness

TAHOE CITY—Mrs. Viola L. Petric, whose home was at Reno, died at a Reno hospital on Thursday. A native of Hesston, Kansas, she had resided in Reno for the last eight years. She had previously resided in Tahoe Pines, for a number of years and recently sold their home before moving to Reno permanently. An employee of the Bell Telephone Co. for the last 11 years, Mrs. Petric worked in the San Jose, Calif., office prior to coming to Reno.

An ardent dog fancier, she has raised and shown German Shepherd dogs for some years, and was a member of the Reno Kennel Club and the German Shepherd Dog Club of Washoe county.

Mrs. Petric is survived by her husband, R. Jack Petric of Reno; two brothers, Earl Miller of Bakersfield and William J. Miller of Carmichael, Calif.; a sister, Mrs. Minnie Brubaker of Bakersfield; an aunt, Mrs. Emma Leckington of Salina, Kansas; and an uncle, William Holliday of Newton, Kansas.

Funeral services were held in the Sierra Chapel of Walton Funeral Home on Saturday afternoon at 2 o'clock, with the Rev. Arthur V. Thurman of the First Methodist church officiating.

Interment at Mountain View Cemetery.

STEVE KORICH IS NAMED HEAD OF TAHOE CITY CLUB

TAHOE CITY—At the last dinner-meeting of the Tahoe City Rotary Club, held at Bacchi's Inn on the evening of Nov. 22nd, Steve Korich, a resident of the Lake Forest vicinity, was elected president to replace Vern Bartell who resigned that office last week when he was transferred to Reno Nevada by the Standard Oil Company, by which he is employed. Korich accepted the gavel from the club's vice president, Bob Kay, and thanked the members for their confidence in his ability to head the club until next July. At that time a set of newly elected officers will take over.

Besides the usual number of 24 members present at the meeting, there were several visiting Rotarians, including Dr. Hilliard Holmes and Dr. Allan Sklar of the Brockway Rotary. Among guests of local Rotarians were Steve Pellago, of the Marysville Bank of America who attended with Tony Donadio of Tahoe City, Bob Tower, a member of the F.B.I., and a guest of Harry Johanson of this city, and Bob Heffner, a Sacramento meat dealer who came as a guest of Basil Kehoe. Because of the time taken up by the election and other business matters, there was no social program during the evening.

In Bay Area—

Mrs. Eleanor Swanson, Swanee to many Lake Tahoe and Truckee friends, are spending the winter at Piedmont this year and feeling well in the mild climate.

Left—

Mr. and Mrs. Ward Knapp left Tahoe City to spend Thanksgiving with Mr. and Mrs. Rodney Yeakel and their family. The Knapps plan to spend the winter in Carmichael.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Did you ever see such a beautiful Thanksgiving Day and the days that followed? It was one of those brilliant Tahoe days, that makes one thankful to be a resident of such a place. Squaw Valley was filled with interested spectators here to take a look at the beautiful setting.

Weather

There are so many predictions of a real hard winter going around, first by some Indian who tries to put the Indian sign on us, and then some scientist says the same, but I remember no one told us of the BIG storm of January '52, so I say forget it. The winter will be no worse than last year, and that was pretty good, only for a shortage of snow.

New Resident

After the cigar smoke has cleared, we can tell a secret. Debra Lee, yes, that's the name of the new daughter of— who do you think? Well— it's none other than Cloyd and Dorothy Sipes, and are they ever happy. Where ever could you find any other mommie and daddie that will be more proud than they? This was so sudden that I didn't get to find out the color of her eyes and hair, but we can say she's beautiful, and congratulations.

Visitors

Jos and Enola DeGregorio of Tahoe Vista, had a wonderful surprise when Enola's mother and dad arrived for a stay of about 10 days. Mr. and Mrs. Winn Powers are from Willits and say this place is wonderful, because when they left Willits there were 3 inches of snow, so it was nice to get up here where there is no snow and the sun is shining beautifully. Glad to see you folks.

Church

Church services were well attended at the Community Methodist in Kings Beach last Sunday morning. Ruth Mizner at the organ played two special numbers, Sweet Hour of Prayer, and The Lost Chord. Choir practice will commence next Friday at 8 o'clock. The Board are asked to attend church this Sunday as there will be a meeting at the close of the morning service according to Rev. A. B. Coughlin.

Deep in the Heart of Texas

I hear by the grape vine that our friend, Charles Redd is still at Fort Bliss, Texas, where he has been since his induction in the armed forces. Charles, you will remember, was teacher in English, Spanish, Mathematics, and other important subjects at the Tahoe Truckee High School. He intimates that he will visit the area at Christmas-time. We hope.

NOTICE FOR PAYMENT OF COUNTY TAXES

Well, we had at least four ex-star students of the Tahoe Truckee High to cheer us up by their presence. They spent Thanksgiving and the week end here. They were Barney Gilmore who is at Stanford; Loma Sorensen, Berkeley; Diana Abbott, Stockton, and Joellyn Ash-tin at Salt Lake City.

Short Winter

Yes, a short winter and an early spring, it must be, by the sign that Bucky Harris has outside his North Shore Club, Crystal Bay: Grand Opening June 10th.

Military

I saw Timmy Mizner here over the weekend having quite a time for himself and he sure looks good, lost a little weight too. I guess that's the exercise Timmy is getting while attending the military academy in the bay area. That's just the kind of schooling I want to take up next time.

Home Again

Well, Meredith and Dee Siple arrived back just in time for Thanksgiving. They tell me the trip to Florida was wonderful, weather beautiful all the way, and while Florida was delightful for a vacation, they don't intend to change it for California. It won't be long before they make tracks for Glendale, their usual winter home town.

Where, Oh, Where?

Bud Rabaska our deputy sheriff brought his charming wife and two boys up over the weekend, just to look around. Bud has been looking for a nice place to live, but has not been successful up to this Monday morning. There seems to be a shortage of homes to rent or sell. He needs a home with two bedrooms and a fireplace. They are a swell family, and Bud is a good officer.

if ever puts on a program for the Rotary club, that is not most interesting. He has been chairman of that committee for quite a few years and there must be a reason, huh? Keep up the good work, Hank.

Water

Was talking to Gene Howard of the North Tahoe Marina, Tahoe Vista, and he tells me, the lake water is just about as low as it was in '48, and says he would have a tough time getting a speed boat up to the pier. While this is not too good, there is also some advantage, as he is able to do some building on to the pier which he couldn't do if the water was high.

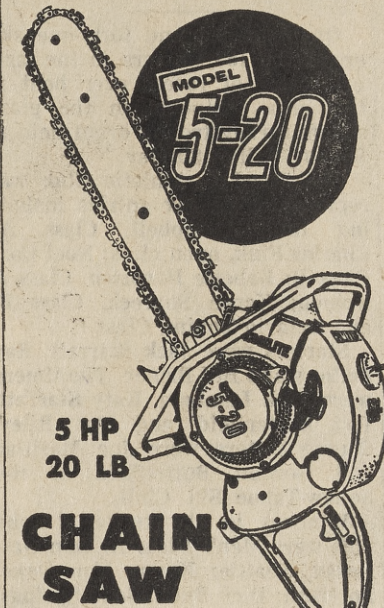

Journey

Carl B. Thorwaldsen owner of Thornley Lodge, Kings Beach, tells me that he has just returned from a trip to New York and had quite a journey by all accounts. Ran through three major snow storms, which were not too pleasant, and was glad to be home again.

LIARS' CONTEST IS FEATURE OF MEET

KINGS BEACH—The regular meeting of the Brockway Rotary Club was held Monday night, and was a very hilarious one.

After President Bill Randall had called the meeting to order and visitors had been introduced he turned the meeting over to Program Chairman Hank Dodd. Chairman Dodd had arranged for a Liars' contest, which was in the form of a court trial. Judge Harry Harrison presided over the proceedings and was assisted by Deputy Sheriff Rubaska with Dodd acting as clerk of the court and Fred Baker as bailiff.

Each member appeared before the Judge and endeavored to tell the biggest lie. Judge Harrison assessed fines according to his judgment. After all members had told their lies the Judge dismissed court and with his assistants met in the judges chamber, deciding upon who had told the biggest lie. The final decision being: first prize, an alarm clock to Sam Faulkner; second prize, a cigarette lighter to Hillard Holmes and the boot prize to Paul Mullis.

Guests of the club for the evening were Judge Harrison and Deputy Sheriff Rubaska and Walter Mandeville.

MANY SKIERS TAKE PART IN CONTESTS

One hundred and forty-one skiers of the 153 starters in the largest roster of racers ever held in this area competed in the giant slalom turkey trophy event held at Squaw Valley Sunday.

The Truckee Athletic Club was represented by six entries including Billy Campbell, Class A; Charles Fink, open class; Noel Cox, Class B; Babette Hausisen, Class A women; Karen Shareck, Class B, and Octavio Tonini, Class C.

Starters were Jack Starratt, Ray Fellows and Bill Briner. The timers were Jack Lambers, Katy Starratt, Pat Butterfield and Pat Riley. Course setters were Joe Marillac and Gordon Butterfield of the Squaw-Tahoe Ski Club.

Winners in the turkey trophy race were Men's Class A: Don Gasaway, Seattle; Kenny Van Dyke, Portland; Dick Buek, Soda Springs. Men's open class: Joe Auckenthaler, Squaw-Tahoe; Pepi Gassiot, Squaw-Tahoe and Augustine Maisen, Sacramento.

Men's Class B: Al Grissmer, University of California; Ed Gordon, Portland, and Kit Schull, Squaw-Tahoe.

Men's Class C: Ralph James, Fresno; Ray Morris, Portland; Wilson Talley, Sierra Club and Octavio Tonini, Truckee.

Women's Class A: Cathy Zimmerman, Reno; Babette Hausisen, Truckee, and Barni Davenport, Reno.

Women's Class B: Linda Smith, Reno; Karen Shareck, Truckee, and Donna Joynes, Palo Alto.

Women's Class C: Pat Chaney, Roseville; Sylvia Swan, Berkeley, and Ruth Anderson, Viking.

Fall On Stair Results In Filing Of Action

NEVADA CITY—A suit for \$60,000 has been filed in the Nevada County Superior Court against Harold M. Welch of Truckee, Nevada County, by Mrs. N. F. Dolley who claims she was injured in a fall July 30th, 1955 in a restaurant building operated by Welch.

The complaint charges Mrs. Dolley was injured on stairs leading to the basement.

She is joined in the action by her husband, N. F., constable of the Truckee Judicial District.

COMMUNITY CHURCH NOTES

The two youth fellowships will meet at their regular time. The Intermediate Fellowship for 7th and 8th graders will meet at 5 PM on Sunday evening. The high school MYF will meet at 7 PM on Monday evening. Both groups will have active programs now and through Christmas. Both groups will be practicing Christmas carols for the Sunday School Christmas program on Sunday, December 18. Also both groups will be shown some movie films for this next meeting. All young people are urged to take advantage of this opportunity.

Card of Thanks

The many messages of encouragement sent by friends and the excellent care given me by the personnel of Tahoe Forest Hospital during my recent illness motivates this expression of my sincere appreciation.

Mrs. James Walker

CARD OF THANKS

We wish to express our deep appreciation for the kind deeds and messages and lovely flowers, during our recent bereavement.

Mr. and Mrs. Fosten Wilson

NOTICE

On and after this date I will not be responsible for any debts or obligations incurred by anyone other than myself.

Cub Scout Program Is Discussed At Meeting

At a special planning meeting held on November 23rd at the home of Darol McGihon, committeemen Wilbur Glenn, Ronald Ireland, and McGihon met with Robt. Madge and Don Fergus of the 20-30 Club to discuss finances and renewal of the Cub Scout Pack Charter.

Several new members were added to the roster bringing the number of Cub Scouts in this area to a new high.

A vote of thanks to the 20-30 Club for their active interest in the pack was put on record.

Madge is assistant cubmaster, Fergus is chairman of the committee, and Ireland is secretary-treasurer.

Den Mothers Mrs. D. L. McGihon, Mrs. Martin Sturcke, Mrs. Ralph Daniels, Mrs. M. King, and Mrs. R. M. Ireland laid plans for future den meeting and enrollment. Various games and crafts were discussed and ideas were advanced for future field trips when weather permits. Since it is necessary for some parents to accompany the boys on outings, it is hoped there will be plenty of volunteers.

Regular Pack meetings are held at the Truckee Elementary School on the last Tuesday of the month at 7:30 p.m. Parents and members of the 20-30 Club are urged to attend. Awards cannot be made to cub scouts except in the presence of a parent.

Back from Trip—

Mr. and Mrs. Heslin Cardinal and family have returned following a vacation trip to Bremerton, Washington.

ANNIVERSARIES

A number of local people celebrated their birth dates during November and among those observing their natal dates are Supervisor and Mrs. Henry Locher, and Robert Tonini.

Karen, daughter of Mr. and Mrs. Kenneth Hedlund was feted on her birth date, November 21st.

Mr. and Mrs. Harry Barnes had a family party for their daughter, Donna who received gifts on her anniversary last Saturday.

On Monday, November 28th, Marjorie Gail, small daughter of Mr. and Mrs. Keith Stewart was the center of attention when her birth date occurred.

It was wedding anniversary time for Mr. and Mrs. James Walker and Mr. and Mrs. James Souter, early in November.

HOMEMAKING

Senior girls of Tahoe Truckee High School may take part in the Betty Crocker Homemaker of Tomorrow examination on December 6th. Additional information in the national aptitude test for the career may be obtained by contacting Mrs. E. H. Smith, Jr., Homemaking teacher of the school.

TEXAS TRIP—

Mrs. Virginia Taylor has returned to her position with the local telephone company after spending her vacation in Texas returning here by way of San Francisco.

Attend Reception—

Mr. and Mrs. Walter Haug of Sugar Bowl were among those attending the reception this week at Reno for Misses Dody Post and Katie Rodolph who are leaving to participate in the Winter Olympic Games at Cortina, Italy.

Suit Is Filed As Result Of Lake Tahoe Mishap

AUBURN—James C. Stanley filed a damage action in the superior court against W. Olson and the Lake Tahoe Front Motel at Lake Tahoe.

The plaintiff claims he was injured last May 14 when a device for lowering boats into the lake broke and struck him.

He asks \$30,000 general damages and \$105 for property damage.

Cecil Edmunds spent Thanksgiving at the home of his son-in-law and daughter, Mr. and Mrs. John Fitzgerald in Fresno.

Tree Transporter Fined \$50 In Truckee Court

James Napier, Sacramento, was fined \$50 by Judge F. W. Wilson in the Truckee Judicial District Court this week for violating county ordinance 202 which prohibits transporting Christmas trees without a permit.

The court pointed out that apparently others are unaware of this ordinance and said continued penalties will be meted out if the practice is not discontinued. Moving trees from one place of storage to another is not permitted without a permit.

So different than
ordinary blankets!

Notice the small area of warmth. This comfort zone is created by body heat alone. The sleeper is trying to keep warm. Notice the position of the body—huddled, cramped. No wonder people wake up more tired than when they went to bed.

Here's what happens with a General Electric Automatic Blanket. Notice the area of warmth. It's the entire bed as it should be. The sleeper can stretch out, relax. The chill of icy sheets is gone, the comfort zone is enlarged. Result: the best night's sleep you've ever had!

Tarzan

by EDGAR RICE BURROUGHS

AFTER ESCAPING FROM THE ARABS, TANTOR CARRIED THE BODY OF TARZAN, TIED TO A STAKE INTO THE BLACKNESS OF THE JUNGLE.

THE ELEPHANT BROUGHT TARZAN TO A HIDDEN GLADE AND STOOD PATIENTLY VIGILANT UNTIL THEY WERE DISCOVERED BY TAWNI AND SAM!

QUICKLY, JUBILANTLY, THE TWO RACED OVER AND FREED THE APE-MAN. MAXWELL THEN OFFERED HIM AN ARAB KNIFE TO REPLACE HIS OWN.

"I STOLE A PISTOL, TOO," HE STATED "THAT OUGHT TO GIVE US SOME PROTECTION UNTIL MORNING WHEN..."

...MEANWHILE, A HERD OF HIPPOS WALLOWED BY THE BANKS OF A DISTANT LAKE-- AND THESE BRUTES, UNBELIEVABLY, WERE SOON TO BE A CAUSE FOR TARZAN'S DEATH SENTENCE!
